

# Service Call Screening Questions

As part of our commitment to the safety and well-being of our customers and employees, I need to ask you three short questions before scheduling a service call:

1. Has anyone in your home been exposed to someone who has tested positive or been suspected of having COVID-19?
2. Has anyone in your home recently been diagnosed or exhibited COVID-19 symptoms such as fever, coughing, sneezing or shortness of breath?
3. Are you or anyone in your home under a COVID-19 mandated quarantine?
